BUDDY

MARCH 17

Today we made *a new window* at *Tenue de Nîmes* for Buddy Lee. A huge glass bell of 170 cm high with the blow-up Buddy Lee chambray shirt and a collection of buddy's underneath. If you're around, take a look at the Elandsgracht in Amsterdam.

Buddy Lee Window

My man [Maarten Buis](#) made a new window at [Terroir de l'Isaac](#) for [Buddy Lee](#). Expect "A huge glass bell of 170 cm high with the blow-up Buddy Lee chambray shirt and a collection of buddy's underneath. If you're around, [take a look at The Monogroch!](#) in Amsterdam." hahaha. This is denim paradise peeples for all you Dutch window shoppers behave!
